

# GET INVOLVED IN MARYLAND HISTORY DAY 2024!

Make history come alive for students by volunteering for this year's **Maryland History Day**

Not only will you support students as they discover the historical, cultural, and social significance of the past, but you'll give students a voice.

## BECOME A JUDGE

### Judge a District Competition in February and March

Before competing at the state contest, students must compete at the district level. If you live in one of Maryland's many districts, you can [volunteer as a district contest judge](#). You'll review student projects, interview students, select the winners to advance to the state contest, and provide constructive feedback.

### Judge the State Competition on May 4

Projects selected at the district level are ready for the state competition! Students will present their projects at Maryland History Day on the University of Maryland, Baltimore County campus. [Volunteer as a state judge](#) by April 1 to review projects and decide who makes it to the national contest in June.

## LEND A HAND

Provide administrative support the week leading up to the event or join high school and college students for 3 to 8 hours on the day of the event in building monitors and providing other assistance. [Register here!](#)

## REVIEW STUDENT PROJECTS

Provide students with [helpful tips and feedback](#) that's pivotal in elevating the quality and competitiveness of their projects as they prepare for the state contest.

## SPREAD THE WORD

Can't volunteer, but want to contribute? Email this flier to your community, post about Maryland History Day on [X](#) and [Facebook](#), or encourage your child to participate. Any support will help our young historians.
